Will Laidrum of Audubon, Iowa, who has received no little comment as a singing evangelist will be here to conduct the song service during the meetings. You will miss much if you do not hear him. But further we invite you to come and hear what will be said from the pulpit. We have nothing to present to you save Jesus and him crucified as it is told alone in the word of God. Come and hear the gospel sheared of modern-day theology. In this meeting we desire to call bible things by bible names and base what we do on a "Thus saith the Lord."

Something to Remember.

When a cough or cold is long neglected consumption almost invariably follows. Remember Mexican Syrup only costs 25 cents a bottle, and yet has proven in many thousand cases an absolute safe cure for cough, colds and consumption. Taken in time it cures quickly. Children like it because it tastes so good. Insist on your druggist keeping it for sale. Read the seemingly miraculous cures it has effected, printed on the wrapper around the bottle.

A PITIFUL SIGHT.

What is more pitiful than to see a puny, delicate little child absolutely dying from neglect. There are many little ones, whose cheeks would grow rosy, whose eyes would grow bright, whose flesh would be plump and pretty if only the worms that are gnawing at their vitals were removed, which is easily effected with Mother Worm Syrup, so nice to take that children ask for it. Also a cure for tape worm in grown people. Try a 25 cent bottle.

THE SECRET OF GOOD HEALTH.

The secret of beauty and good health is cleanliness. Uncleanliness breeds disease. Internal cleanliness is even of greater importance than external. Keep your liver active and your bowels thoroughly clean by taking a Mexican Root Pill occasionally. Their use does the nerves, kidneys, etc., good also. Only 25 cents a box.

GOOCH'S QUICK RELIEF.

When your joints and bones ache and your flesh feels tender and sore, a 25 cent bottle of Gooch's Quick Relief will give you quick relief. Best cure for colic.

HEALTHY BLOOD MAKES HEALTHY FLESH.

To have good flesh and good feeling, to look well and feel well take some Gooch's Sarsaparilla. Nothing else so good for pale and sickly women.

PILE-ONE CURES PILES.

Money refunded if it ever fails. Anti-Angle cures Chills and Fever. September 6, 1901.-1m.

The High School foot ball team is now organizing for the coming season and promises to be more successful than last year. With some of the old reliables as: Clare, Muns, Coffman, Cason and Sabourin and such new ones as J. Coffman, E. Harrell, Weeks, Prof. Collett, Marlow and Stephens, the "blue and white," will surely lead the procession. The team will probably be under the captainship of Prof. Collett. They lined up at Broeder's Park Wednesday afternoon for practice and some of the new members showed up especially well, among them Sharp, Harrell and Alderson. The line-up will probably be as follows: J. Coffman, centre; Marlow, right guard; Alderson, left guard; Clare, right tackle; Muns, left tackle; Weeks, right half-back; Coffman, right half-back; Sharp, full-back; Sabourin, Stephens and Cason as substitutes. This certainly is a better line-up than last year and should be successful.

The Eminent Kidney and Bladder Specialist.

The Discoverer of Swamp-Root at Work in His Laboratory.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, or the kidneys themselves break down and waste away cell by cell. Then the richness of the blood—the albumen—leaks out and the sufferer has Bright's Disease, the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root, the new discovery is the true specific for kidney, bladder and urinary troubles. It has cured thousands of apparently hopeless cases, after all other efforts have failed. At drug stores fifty-cent and dollar sizes. A sample bottle sent free by mail, also a book telling about Swamp-Root and its wonderful cures. Address Dr. Kilmer & Co., Binghamton, N. Y. and mention this paper.
